0.01 THIS AGREEMENT, made this day of
1991, by and between the VILLAGE OF RIDGEWOOD, a body politic and
corporate of the State of New Jersey hereinafter referred to as
"The Employer" and the FIREMEN'S MUTUAL BENEVOLENT ASSOCIATION,
LOCAL NO. 47; hereinafter referred to as the "F.M.B.A." or
"ASSOCIATION".

0.02 WHEREAS, the Employer and the F.M.B.A. recognize that
it will be to the benefit of both to promote mutual understanding
and foster a harmonious relationship between the parties to the
end that continuous and efficient service will be rendered to and
by both parties.

0.03 NOW THEREFORE, it is agreed as follows:

1.00 EXISTING LAW

1.01 The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify existing applicable provisions of State or Federal Laws.

2.00 ASSOCIATION RECOGNITION

2.01 The Village hereby recognizes the F.M.B.A. as the exclusive collective negotiations agent for all full time uniformed firemen employed by the Village of Ridgewood, but excluding the fire inspector of combustibles, all fire officers, repairmen, clerical craft and professional employees, police, managerial executives and supervisors within the meaning of the New Jersey Employer-Employee Relations Act and all other employees of the Employer.

2.02 No employee shall be compelled to join the F.M.B.A. but may do so at his option.

2.03 The term "Employee" as used herein shall be defined to include the plural as well as the singular and to include females as well as males.

3.00 EMPLOYEES' BASIC RIGHTS

3.01 Pursuant to Chapter 303, Public Laws, 1968, the Employer hereby agrees that every employee shall have the right to freely organize, join and support the F.M.B.A. for the purpose of engaging in collective negotiations. As a body exercising governmental power under the Laws of the State of New Jersey, the Employer undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any right conferred by Chapter 303, Public Laws, 1968, or other Laws of New Jersey or the Constitution of New Jersey and of the United States.. .

3.02 The Employer further agrees that it shall not discriminate against any employee with respect to hours, wages or any terms or conditions of employment by reason of his membership in the F.M.B.A., his participation in any activities of the F.M.B.A., collective negotiations with the Employer, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the Statutes of the State of New Jersey.

4.00 MANAGEMENT RIGHTS

4.01 The employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and constitution of New Jersey and the United States.

5.00 ASSOCIATION REPRESENTATIVES

5.01 The Employer recognized the right of the Association to designate representatives and alternates for the enforcement of this Agreement.

5.02 The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.

5.03 The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed the following duties and activities:

(a) The investigation and presentation of grievance in accordance with the provisions of the collective bargaining Agreement.

(b) The transmission of such message and information which shall originate with, and are authorized by the Association or its officers.

5.04 With the permission of the Director of the Department, which permission shall not be unreasonably withheld and provided there shall be thereby no interference with the normal operations of the departmental business, the designated Association representatives shall be granted time with pay during working hours to investigate and seek to settle grievances and to attend all meetings and conferences on collective negotiations with Employer officials.

6.00 RIGHTS OF EMPLOYEES

6.01 Members of the Association hold a unique status as public employees in that the nature of their employment involves the exercise of a portion of the Fire Department power of the municipality.

6.02 The security of the community depends to a great extent on the manner in which firefighters perform their duty, and their employment is thus in the nature of a public trust.

6.03 The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public.

6.04 Out of these contacts may come questions concerning the actions of the members of the Association.

6.05 These questions may require investigation by superior officers designated by the Director of the Fire Department and the Village Manager.

6.06 In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

(a) The interrogation of a member of the Association shall be at a reasonable hour, preferably when the member of the Association is on duty, unless the exigencies of the investigation dictate otherwise.

(b) The interrogations shall take place at a location designated by the Director of the Fire Department.

(c) The member of the Association shall be informed of the nature of the investigation before any interrogation commences including the name of the complainant. Sufficient information to reasonably apprise the member of the allegations should be provided. If it is known that the member of the Association is being interrogated as a witness only, he should be so informed at the initial contact.

(d) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonable necessary.

(e) The member of the Association shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions nor shall any threat or promise be made to induce silence. Where the Employer elects to record the interrogation, then the Employee shall be entitled to transcribe the recording at his own expense or to a copy of a transcription when done by the employer. Where the Employee elects to record the interrogation, he shall provide the Employer with a transcription thereof free of charge.

(f) At the sole expense of the F.M.B.A. and not to unreasonably delay the investigative procedure, the complete interrogation of the member of the Association shall be recorded mechanically or by a Department stenographer. There will be no "off the record" questions. All recesses called during the questioning shall be recorded.

(g) If a member of the Association is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.

(h) In all cases, and at every state of the proceedings, in the interest of maintaining the usual high morale of the Association, the Department shall afford an opportunity for a member of the Association, if he so requests, to consult with counsel and/or his Association representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the Association. Said consultation shall not delay the interrogation beyond one (1) hour for consultation with his Association representative, nor more than two (2) hours for consultation with his attorney.

(i) Nothing herein shall be construed to deprive the department or its director of the ability to conduct the operations of the Department and nothing in the foregoing to the contrary shall be construed to excuse or delay the prompt execution and delivery of Departmental routine reports.

7.00 NO STRIKE PLEDGE

7.01 The F.M.B.A. covenants and agrees that during the term of this Agreement neither the FMBA nor any person acting on its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment) work stoppage, slowdown walkout or other job action against the Employer.

7.02 In the event of a strike, work stoppage, job action, slow down or walkout, it is covenanted and agreed that participation in any such activity by the FMBA member shall entitle the Employer to take appropriate disciplinary action, including but not limited to, discharge in accordance with applicable law.

8.00 SALARIES

8.01 The base annual salaries of all employees covered by this Agreement shall be set forth in Appendix A.

8.02 The base annual salary for the period covered by this Agreement shall be deemed retroactive to January 1, 1991, and other economic items except as otherwise noted in specific sections of this Agreement be deemed to be retroactive to January 1, 1991, and any monies due employees by virtue of this clause shall be paid as soon after the execution of this Agreement as practicable.

8.03 When an employee, after seven (7) years of service with the Ridgewood Fire Department, meets the requirement by achieving a course completion and certification in accordance with NFPA Standard 1002, said employee shall be designated as "Senior Firefighter Engineer" and shall be compensated by an increased base rate of pay. "Senior Firefighter Engineer" pay status shall be a base pay of maximum step Firefighter increased by one-half (1/2) between maximum step Firefighter and the base pay rate for Fire Lieutenant.

9.00 WORK DAY, WORK WEEK AND OVERTIME

9.01 All work in excess of the employee's basic work schedule or tour of duty for a day shall be considered overtime and shall be paid at the rate of time and one-half (1/2). There shall be no offset and overtime shall be paid from the end of the schedule tour of day where an employee is held over.

9.02 All employees may be required to work a reasonable amount of overtime.

9.03 All overtime payments due employees shall be paid in the pay period immediately subsequent to the pay period during which said overtime was worked, without the necessity of the employee submitting a voucher for same.

10.00

HOURLY RATE

10.01 To compute the base hourly rate of an employee for overtime or other purposes, the employee's yearly base salary and his annual longevity payment shall be added together and then divided by two thousand three hundred and fifty (2,350) hours.

11.00

SCHEDULED COMPENSATION DAYS

11.01 Each employee shall be entitled to annual schedule compensation days. For the year 1991, each employee shall have ten (10) annual scheduled compensation days. For the year 1992, each employee shall have eleven (11) annual scheduled compensation days. Except by reason of an emergency, twenty-four (24) hour notice of intention to exercise such privilege must be given to the Director or his designee who may then deny such leave if same should reduce platoon complement below that necessary for the Department's efficient operations. The Village may buy back two (2) days per year from each employee during the term of this contract. The Village must give notice by October 1st of any proposed buy backs. A scheduled compensation day shall be bought back at the straight time rate (24 hours).

11.02 The following rules as to scheduled compensation days shall apply. Compensation days shall be used in the year they are earned.

(a) One (1) scheduled compensation day shall be defined as a single twenty-four (24) hour tour of duty.

(b) Such day or days may be taken only on prior notice to the Director or his designee and shall be subject to Fire Department business or minimum staffing requirements. At least twenty-four (24) hour notice shall be given.

(c) No reason or excuse shall be required for the taking of a scheduled compensation day except where the twenty-four (24) hour notice requirement is sought to be waived.

(d) A scheduled compensation day once granted or allowed shall not be canceled except upon general mobilization of the Fire Department.

(e) Every reasonable effort shall be made by the Employer to give them the time as requested and not to withhold the time.

(f) The selection of a particular day for use as a scheduled compensation day by an employee shall not create an overtime cost to the employer as a result of the selection. If other events occur after the selected scheduled compensation day is approved, such as another employee calling in sick, for example, the approval for the scheduled compensation day use shall not be withdrawn.

The administrative procedures implemented to insure the scheduled compensation days so not to create overtime shall be based upon the concept that at no point during the year shall the number of "scheduled compensation days" remaining to be taken shall exceed the number of available man days remaining in the annual vacation and "scheduled compensation days" schedule. The fire Director or his designee may assign "scheduled compensation days" if it appears that there will be insufficient man days remaining in the annual vacation and "scheduled compensation days" schedule. "Scheduled compensation days" may not be carried over to a subsequent year.

11.03 Probationary trainees shall be entitled to a maximum of six (6) compensation days during the first calendar year of employment which shall be pro-rated based upon the number of months employed during said first calendar year.

16.03 Upon retirement, the retiring employee, provided he has completed the full length of service entitling him to retire, may at his or her own sole option, elect to take all of his or her accumulated sick leave days in a lump sum cash payment which shall be computed by multiplying the number of that employee's accumulated sick days times that employee's daily rate of compensation at the time of retirement. The maximum entitlement under this lump sum cash payment option shall be one-half (1/2) of the retiring employee's total accumulation or six (6) months' pay, whichever shall be the lesser. The maximum entitlement under this lump sum cash payment option shall be the lesser of the total accumulated sick days or six (6) months' pay at the daily rate of compensation for said employees.

16.04 In addition to other provisions of this Article, there shall be instituted a sick leave non-use incentive program effective

Commencing July 1, 1985, and for each six (6) month period thereafter, employee(s) covered by this Agreement shall receive one (1) day's pay as an incentive to minimize the use of sick leave.
